 Jim McNeil/jim_saramcneil@msn.com
 Phone: (541) 659-3994 Fax: (541) 832-1139
 Mike Hill/mikeh@sor.timberproducts.com
 Phone: (541) 826-2246 ext. 309

Deadline: August 31, 2010

OUTSTANDING SAFETY & HEALTH PROGRAM

Randall M. Lundberg Award

The Randall M. Lundberg Award recognizes companies of all sizes that excel in addressing the seven major elements of an effective occupational safety and health program along with an effective safety committee.

The company must demonstrate the effectiveness of their activities by a steady or declining recordable incident rate over the past three years. The company must not have experienced a fatality or catastrophic accident in the past twelve months prior to the award presentation.

Please submit a summary not more than three (3) type written pages explaining the accomplishments of your company in addressing the elements of your safety and health program and **fill out the information on the reverse side of the form** and submit it to the Awards Selection Committee. The summary will be evaluated on your explanation and examples of success in these areas:

- Management Commitment
- Labor & Management Accountability
- Employee Involvement
- Hazard Identification and Control
- Periodic Plan Evaluation
- Worker Training
- Incident/Accident Reports, including root causes and recommendations (provide 3 of your most complete examples)

If selected, a photo will be requested!

Incomplete applications will not be accepted!

IMPROVED ACCIDENT RATE

ASSE Star Award

The ASSE Star Award recognizes companies that have demonstrated commitment to workplace safety by lowering their accident rate based on total OSHA recordable incidents over the past three years. The qualifying business must not have experienced a fatality or catastrophic accident in the twelve months prior to the award presentation, must provide documentation or evidence of the effectiveness of their safety program and have a proactive safety committee that meets all requirements of OSHA Division 1 standards.

Please submit a written summary of no more than two (2) type written pages explaining what you attribute your improved accident rate along with documentation that provides evidence of the effectiveness of your program. Please include 3 incident reports with root causes, recommendations and corrective action. **Complete the application on the reverse side of this form** and submit all materials to the Awards Committee address listed on the application.

If selected, a photo will be requested!

Incomplete applications will not be accepted!

SAFETY COMMITTEE RECOGNITION

Frank J. Bertak Award

The Frank J. Bertak Award identifies safety committees, its members and activities that have made a significant contribution towards the company's overall success. Businesses of qualifying safety committees must not have experienced a fatality or catastrophic accident between June 30, 2009 and June 30, 2010.

Please submit a written summary of no more than two (2) type written pages of safety committee accomplishments to include: agenda, a list of current members, copies of safety committee minutes from the past twelve months (At least 8 meetings from June 09 – June 10) and quarterly inspection findings from this time period. Note: the safety committees must meet the requirements of OAR 437-001-0765. **Complete the application on the reverse side of this form** and submit all materials to the Awards Committee address listed on the application. **Photo will be requested!**

LIFESAVING AWARD

Southern Oregon Safety & Health Conference

The Southern Oregon Safety & Health Conference Lifesaving Award recognizes an individual who used skills learned on the job to save the life of another person, or demonstrated heroic efforts to save a life. Applicants must **complete the applicable parts of the application form on the reverse side** and submit not more than one typewritten page that presents the details of the account and states why you feel this person deserves the Lifesaving Award.

Persons eligible for this award do not perform lifesaving as a part of their regular job duties and have completed their lifesaving efforts between Sept. 1, 2009 and Aug. 31, 2010. This award will be evaluated annually and presented on merit.

Deadline: August 31, 2010
